At this facility, we want our visitors to enjoy shopping and dining with peace of mind. We are implementing various measures to prevent the spread of COVID-19. Please check the latest policy regarding movement between prefectures when you visit the facility.

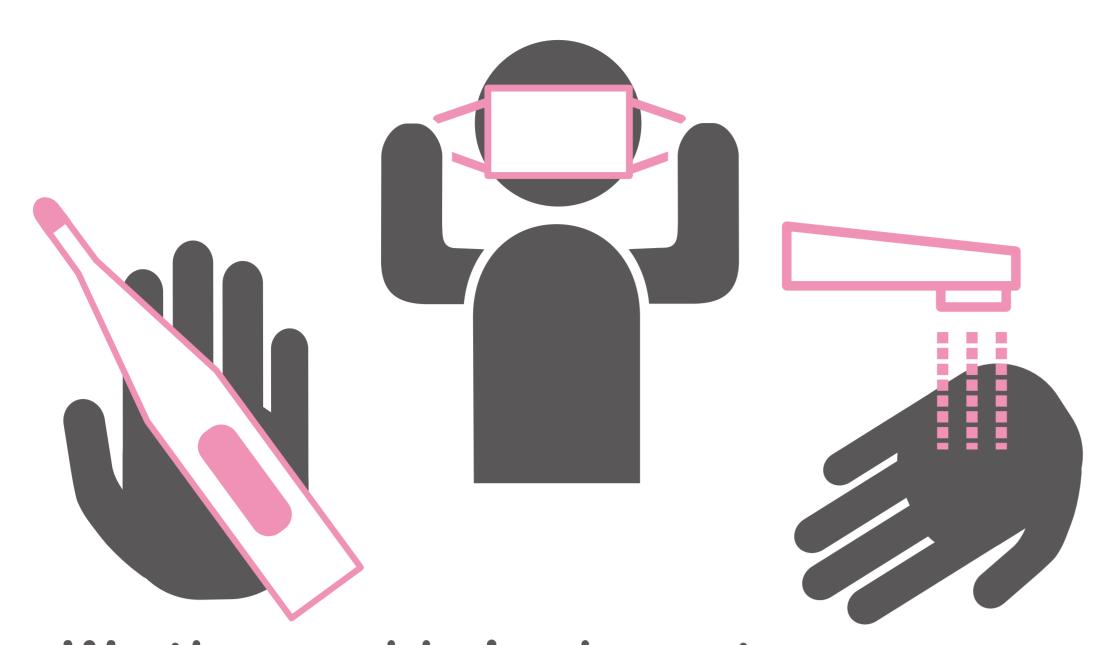

* We usually wear masks to welcome you.

Safe for everyone and safe together.

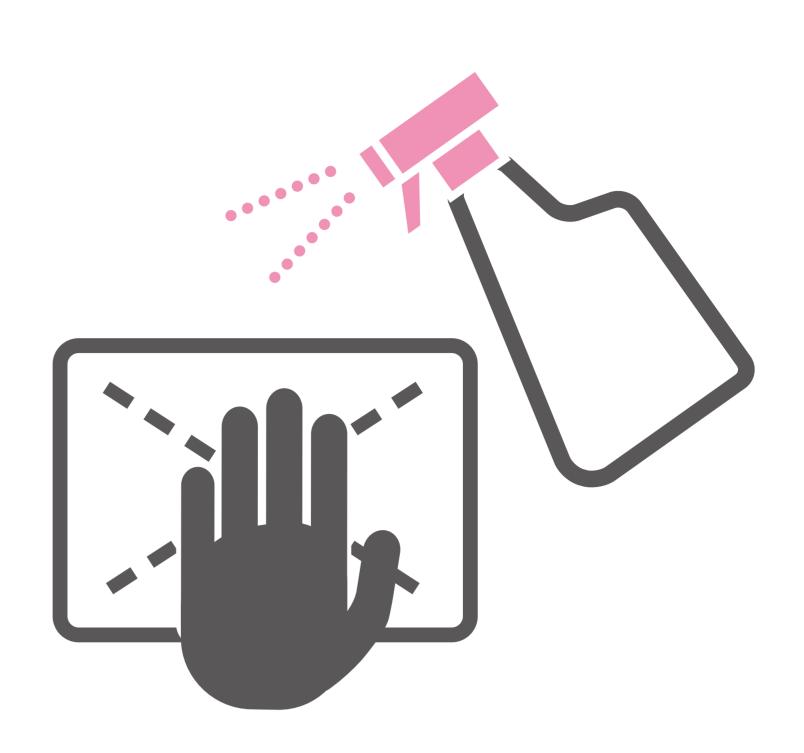

We will send you a "Cheer with a smile!"

COVID-19Our facility's efforts to prevent expansion and requests to customers

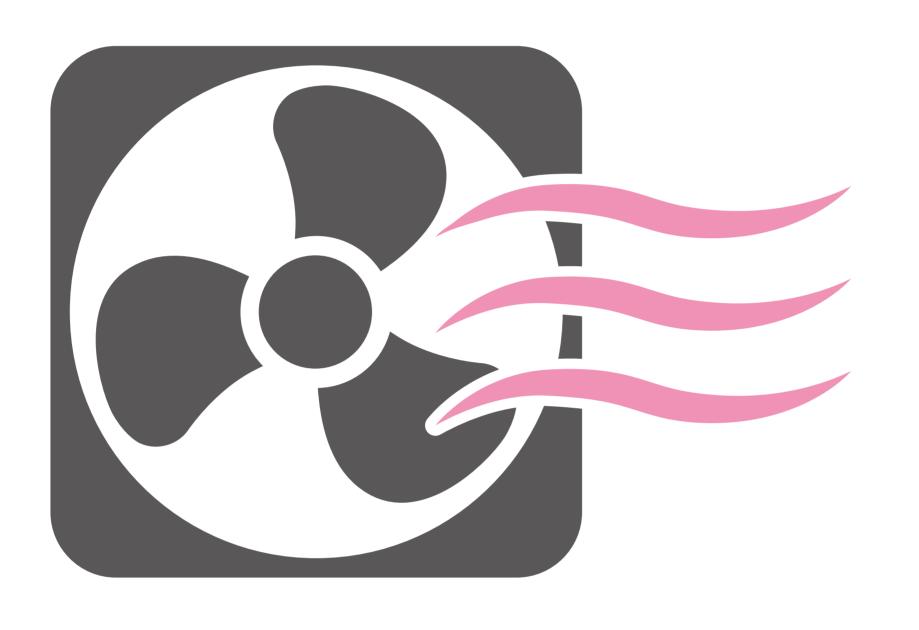

Efforts of this facility

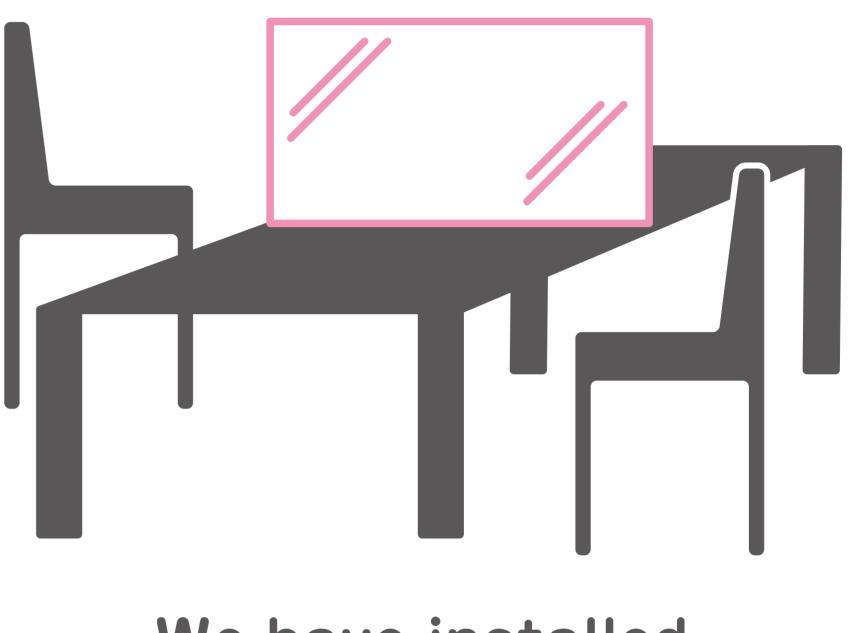

We thoroughly implement measures such as temperature measurement, the wearing of masks, and the washing hands by employees.

We wipe and disinfect areas that we come into contact with frequently.

We have installed

We are strengthening the ventilation in the building.

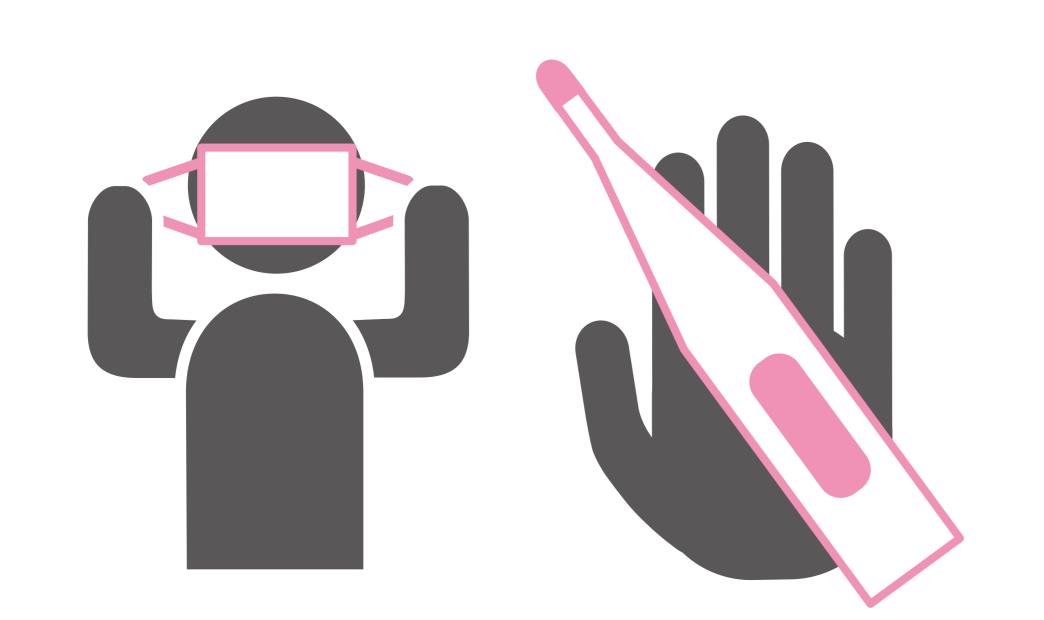

We carry out and promote takeout services at restaurants.

splash-prevention partitions in restaurants and food courts.

The use of smoking rooms is restricted.

Requests to customers

Please wear a mask and check the temperature and physical condition before coming to the facility.

Please wash and disinfect your hands diligently.

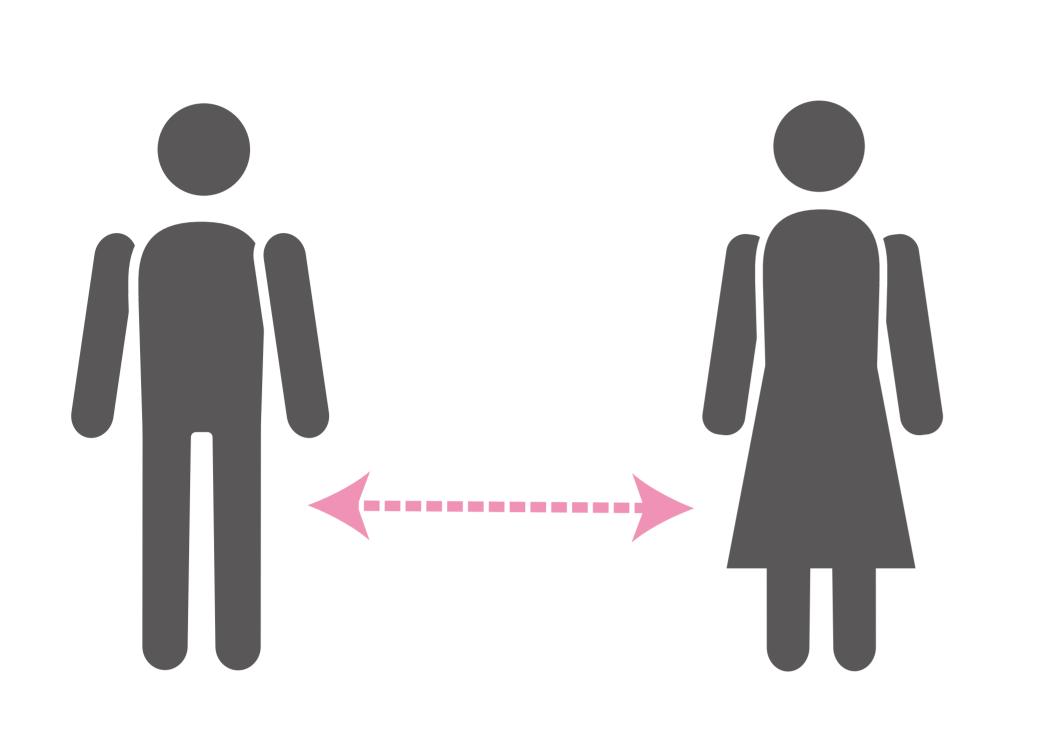

Let's use the COVID-19 contact confirmation app (COCOA).

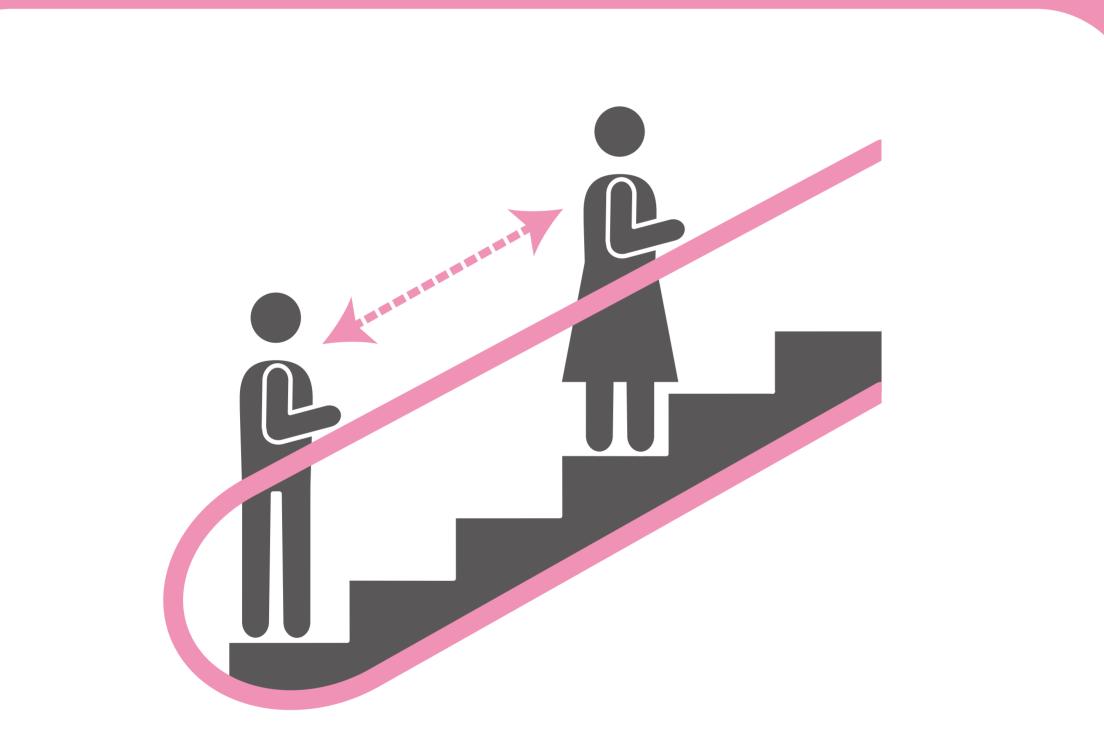

Cashless payment is recommended.

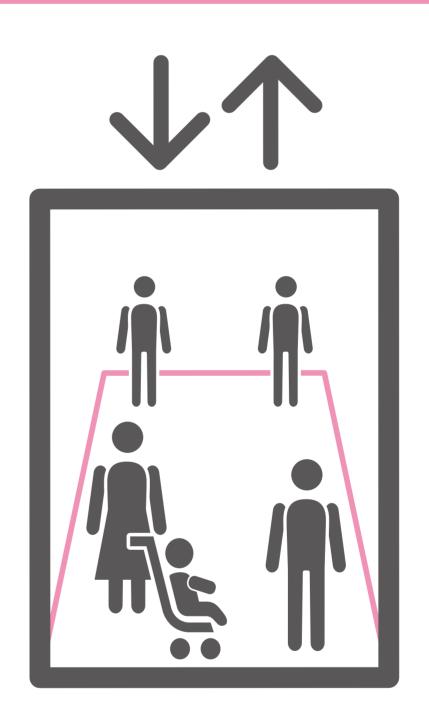

Keep a distance from people.

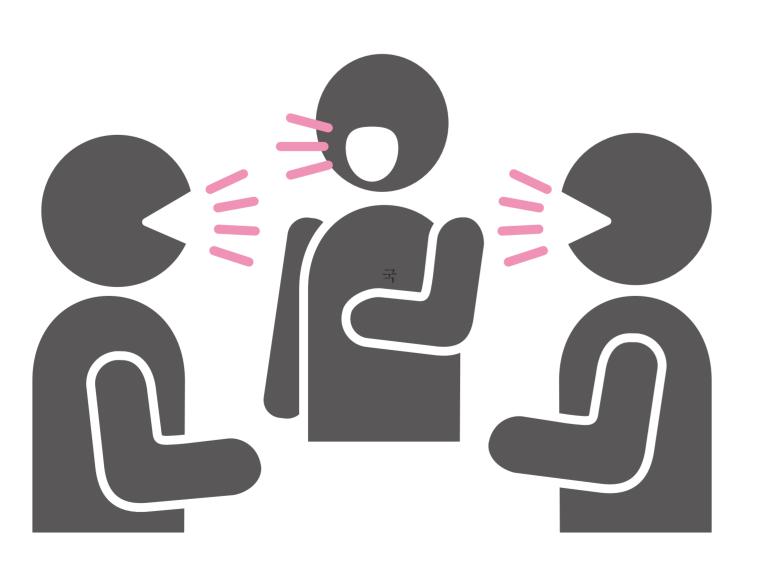

Please come in a small group.

Leave spaces on escalators.

Elevators have a maximum capacity.

Please refrain from talking in a loud voice.

* Efforts may differ depending on the facility. * Admission, entry, and parking lots may be restricted depending on congestion. * Please check the latest policy regarding movement between prefectures when you visit the facility.
